### GENERAL PUMP WELCOMES GREG WHITMAN

**(Mendota Heights, MN)**-- General Pump is pleased to announce the addition of Greg Whitman to lead their dynamic engineering team. Greg is an honors graduate of Milwaukee School of Engineering and holds a B.S. degree in Mechanical Engineering. He has a diverse working background including a 3 year period with Hypro-Pentair. His skills in product design and development, application engineering and manufacturing design engineering will be very beneficial to GP and enable them to more aggressively pursue new product opportunities. Greg is an avid golfer, hunter, fisherman and pet enthusiast and currently resides in Hugo, Minnesota
